

Press release: MINROGROUP Real Estate & Investments

Istanbul, August 18, 2025

MINROGROUP presents exclusive portfolio for real estate and investment opportunities in Turkey

– MINROGROUP positions itself as an innovative and internationally-oriented partner for real estate and investment solutions in Turkey. With a wide range of exclusive real estate projects and tailored investment strategies, the company targets both private buyers and institutional investors.

Extensive real estate portfolio – from apartments to hotels

MINROGROUP offers its clients access to high-quality real estate:

- Luxury apartments and villas in the most sought-after locations in Turkey
- Hotels and commercial properties for investors with a long-term focus on returns
- International real estate offers that extend far beyond Turkey

Capital investments & added value for investors

In addition to the traditional real estate business, MINROGROUP supports investors with all matters related to capital investments, tax consulting, and citizenship through investment. This positions the company as a full-service provider that professionally guides the entire investment process.

Vision & Mission

"Our mission is not just to offer real estate to our clients, but to provide sustainable and secure investments," explains the management of MINROGROUP. "We combine international expertise with local market knowledge, creating a unique offering for our clients."

About MINROGROUP

MINROGROUP is an internationally active company focusing on real estate, capital investments, and investor consulting in Turkey. With a network of experienced partners, the company supports both private and institutional investors in implementing their individual investment strategies.
